What can you do?

“You must first teach a child he is loved only then is he ready to learn everything else.”

-Amanda Morgan, Educator & Author

What can you do?

- Explore post-secondary and career options with your child
 - Understand the courses, visit the schools, understand your child's interests and explore his/her talent
 - Learn more about education pathways in the student handbook
- Support your child's preparation
 - Know your child's coursework schedule and school calendar to motivate and encourage him/her
 - Help your child find a balance between many different demands
- Communicate with us
 - Exchange updates and information with your child's teachers
